2. **Shooting fee is \$2.25/person**. Each player must start 3 of 6 games played. Loser of each game buys drink ticket for winner. **Drink tickets are \$2.75/person**. Winner pays the extra if their drink costs more than \$2.75 or receives drink ticket for difference if their drink is less than \$2.75. Home bar buys a drink for players on both teams.
3. There will be 8 teams and all shooters must be 21 years old or older.
4. Starting time is 8:00 p.m. promptly (please call other bar if going to be late) with no practice games after that. All teams must call by 6:00 p.m., unless there is an emergency to schedule a makeup date. If a team does not call by 6:00 p.m. or does not show up at all, they forfeit all 12 games, plus pay the \$9.00 shooting fee and a \$66 forfeit fee. All games not shot when they are supposed to be must be made up before the next games or within a reasonable period of time. If you forfeit to one team, you forfeit once to each of the remaining teams, but you still shoot for drinks. Any team that forfeits shall shoot at opposing teams bar the next quarter. If you only have 3 shooters, you can pass the 4th persons shot.
5. **Master Out Rule. If during any week (excluding playoffs) any team that has a 12 or more game lead against its opponent, that team must master out his/her games, while the opponent may go straight out. If the master out is a double 8, the double 8 must stick to prove that it was a true master out. i.e. (bounce out on a 16). If the double 8 master out dart does not stick then the game must be considered a ghost out and the losing team gets the point. This rule will only apply to any team in the TOP HALF of the current standings.**
6. Each team is required to attend each meeting by sending either the bar owner or a representative. Any team missing a representative without prior notification will have their position up for grabs.
7. Entry fee is **\$134.00** per season. **\$50.00** of this is to be paid by the sponsor and \$84.00 (shooters fee) is to be paid by the team **no later than mid-season** to the president. The sponsor fee of \$50.00 is split: \$25.00 for trophies and \$25.00 for food for the banquet, giving a total of \$200.00 for trophies and \$200.00 for food. The shooters fee of \$84.00 goes toward cost of the website and the rest goes towards the drinks (OPEN BAR) at the banquet, giving \$672.00 for website and drinks (based on 8 teams). This will be for 4 shooters per team on banquet night. There will be an additional fee of \$10.00 per person for extras attending the banquet. Sponsors may attend at no charge.
8. There will be Sponsor Awards for 1st, 2nd and 3rd. The number of players on the award is up to the sponsor. (4) Individual awards for 1st place, any extra to be purchased by the team. 10. Shooting distance is 8 feet from the face of the machine and 12 inches from sidewalls. Any disputes are to be settled by the captains at once. The machine is always right. If the machine blanks out or has continuous errors the team captains must agree to go to the nearest league board to continue the rest of the games. Games completed will count. If a player tilts the machine intentionally, their team forfeits the games.
11. President will hold trophy night, the banquet, and provide all food. Once your team has served your name goes to the bottom of the list for the next open unscheduled term. If a bar has a new owner or operator, they shall take the previous owners scheduled position. President's duties are to keep the score book, keep the minutes, type and distribute schedules and handle verdicts on disputes that can't be settled by the captains.
